**PROBABLE CAUSE STATEMENT**

On 05/07/08 at approximately 12:45 PM, **Otilio GARIBALDI-Zepeda AKA: Jose CARRILLO (Defendant)** made application for admission to the United States from Mexico at the **San Ysidro Port of Entry** via the pedestrian primary lanes. Defendant presented a temporary I-551 (Immigration Form I-94 with a counterfeit Alien Documentation Identification and Telecommunication ADIT stamp) to a Customs and Border Protection (CBP) Officer. The primary officer referred Defendant to secondary for further inspection of the ADIT stamp on the document he presented.

In secondary, Defendant's fingerprints were queried through the Integrated Automated Fingerprint Identification System (IAFIS), which verified Defendants identity. Also in secondary, the temporary I-551 was determined to be counterfeit as the ADIT stamp itself was counterfeit.

Queries through the Immigration Central Index System (CIS) and the Deportable Alien Control System (DACS) revealed Defendant is a citizen of Mexico without legal documentation to enter the United States. According to CIS and DACS, Defendant was last ordered deported from the United States by an Immigration Judge on or about December 19, 1996. DACS records indicate Defendant's last physical removal from the United States was on or about January 24, 2007 via San Ysidro, California. Immigration service records indicate Defendant has not applied for or received permission to legally reenter the United States by the Attorney General or the Secretary of Homeland Security.
